

**DOUBLEVIEW CRICKET CLUB**

**1983~84 SEASON**

## PRESIDENT'S MESSAGE

Another year has come and gone and more milestones have been passed in Doubleview's short but illustrious history.

Our top team, having been promoted to 2nd Grade, just missed out on the 4th spot and our seconds, having their best year ever, made the 4 only to be rained out, a great disappointment to all but our heartiest congratulations for at least getting there.

In my first year as president it was pleasing to see so many new faces and especially the way these "new boys" fitted in. On a sadder note, attendance at our fund-raising activities was very disappointing. I can only remind you all that the club belongs to you and the amount of enjoyment you get from it depends entirely on what you put into it.

Finally I must thank everyone for the efforts they have put in over the past summer with special thanks to:

ALF DOUGLAS for never missing a match and being the bloody best scorer anywhere.

VINCE TAPPING, our patron, for his continued support.

KEVIN SLOPER, for a marvellous job as Secretary  
and last but far from least

ALL THE WIVES for their love and understanding.

John McNamara

## CAPTAIN'S MESSAGE

Thanks for the opportunity to be captain of the 1B side, a position I have always been keen to have.

At the start of the season I knew it would be a very difficult task and one hundred percent effort and support was needed by all. Unfortunately that never happened. Although disappointed in missing out on the finals it has been quite a good season, winning a few games and not being relegated.

Congratulations to the B side making the finals. I still can't understand how you can lose when you don't even get a bat. Anyway, great effort boys and better luck next year.

Congratulations Macca on winning the Association Trophy and to all other trophy winners.

Finally, I hope to see everyone back next year for bigger and better things and maybe the double.

Thanks again,

Frank Tuohey

CAPTAIN'S REPORT : 1983/84 SEASON      TEAM 2B

The 1983/84 season was the most successful yet. After a slow start the team finished strongly with five wins in the last six games and reached the finals for the first time. In achieving this commendable position much credit must be given to the total effort of all players.

Several new players joined the club and made a tremendous impact. Warren "Bouncer" Taylor instilled fear and many bruises on opposing batsmen, while Mike Colby picked up wickets with his deft swing.

Des looked like he was going for the inaugural "Thompson Duck Trophy" at one stage, but finally found form with the challenge of a higher grade.

For the exorbitant transfer fee of two stubbies, we managed to gain the services of Delly, who added much enthusiasm and a touch of humour with his run-out attempts.

The heavyweight of the team was, not surprisingly.... Moose...whose appeals were nearly as loud as the noise that came from his bowels.

We also gained the services of Bruno "The Frenchman" and, legs willing, he will be back next season.

Existing campaigners, Glen, Steve, Joe, Choco and Thommo all performed well and have my thanks for their efforts and support.

Special mention must be made to the Vice Captain "Bero" who made many deft field changes and was a great help to me.

Finally, I would like to thank all players for a most enjoyable and successful season and next year, weather permitting, I am sure that we can snatch the flag.

Rob Cunningham
